

LEADING SURFACES SUPPLIER CONTINUES TO GROW ITS FOOTPRINT

International Designs Group acquires Trajus Surfaces and adds an additional ten locations.

ATLANTA, GEORGIA (August 21, 2023) – International Designs Group (IDG), an affiliate of Mill Point Capital, is excited to announce the acquisition of Trajus Surfaces. This strategic move reflects IDG's commitment to expanding its presence in the eastern United States and reaching a wider customer base. Trajus Surfaces, comprised of two legacy brands, European Granite & Marble, and MARVA Marble, will join IDG's portfolio, which includes United Materials, LLC. (UMI), Construction Resources (CR), and Cancos Tile & Stone. This addition will further strengthen IDG's ability to cater to the surfacing, kitchen and bath, and home products industries.

With European Granite & Marble and MARVA Marble on board, IDG will streamline its efforts to bring high-quality products to the market, solidifying its position as a trusted provider for the design and construction industry.

Mitch Hires, CEO of International Designs Group, expressed his vision for the company to partner with leading material manufacturers and strategically align their operations to meet the needs of the construction and design community. By optimizing its product offering and operational efficiencies, IDG aims to become the preferred supplier for both existing and new customers in the residential, commercial, and multi-family sectors.

Post-acquisition, with the addition of European Granite & Marble and MARVA Marble, International Designs Group will now operate over fifty locations in the eastern United States. This expansion makes IDG the predominant cumulative service provider for the kitchen, bath, and construction industry on the eastern seaboard. With an extensive range of offerings, including tile and slab distribution, custom countertops, glass and mirror solutions, appliances, flooring, garage doors, fireplaces, and lighting fixtures, IDG is poised to be the premier supplier of materials, services, and solutions in the eastern United States.

-- continued --

Mario Persico, President of Trajus Surfaces, expressed enthusiasm for joining the IDG family, citing the company's vision and decades of industry experience. Becoming a part of IDG will enable both European Granite & Marble and MARVA Marble to expand its product offering and enter new markets while maintaining the highest level of service for its loyal customers.

While the financial details of the transaction remain confidential, Trajus Surfaces' leadership and legacy brands will remain intact as they integrate into IDG's family of companies. This integration will provide additional product lines to support their existing and expanding customer base.

About International Designs Group

International Designs Group (IDG), a division of Mill Point Capital, is a leading supplier of top-quality slab and tile materials for the kitchen and bath industry. With a focus on new construction and remodeling markets, we are proud to offer exclusive brands like Pompeii Quartz and Forum Quartz, as well as our own tile label, CTC (Cancos). In addition to distribution, we have showrooms in several eastern US states, including Alabama, Georgia, South Carolina, Florida, and New York. These showrooms not only highlight and sell our unique slab and tile products but also provide a range of complementary specialty products for the kitchen and bath. Our goal is to provide an efficient and enjoyable experience for our trade partners and homeowners. With our extensive product range and expert service, we strive for an elevated and seamless customer experience. For more information, please visit www.internationaldesignsgroup.com.
